NCAA DIVISION III

**NATIONAL
CHAMPIONSHIP**

SEMI-FINAL ROUND

**SALISBURY
STATE
VS. UNION**

A growing, diverse institution offering programs in the liberal arts and the professions, Salisbury State College is committed to assisting the individual student in selecting a major most suited to his particular interests and career goals. Beyond his major course of study the student is encouraged to build collateral areas which support his major and broaden his spectrum of career opportunities.

That commitment is reflected in the College's General Education requirements: five courses in English and the Fine Arts; five courses in History and the Social Sciences; four courses in the Natural Sciences and Mathematics or Physical Geography; and three courses in Physical Education. It is anticipated that students

and employers.

Building on the College's traditional core courses in physics, the new program emphasizes electronics as well as the design and construction of specialized computer systems. In effect, it will complement existing courses in computer programming and information systems management.

Pre-professional programs are available in law, medicine, dentistry and veterinary medicine. Additionally, students interested in health service careers can pursue degrees in the aforementioned professional majors of Nursing and Respiratory Therapy.

Salisbury State College's Honors Program offers a challenge to the College's best students and is reserved for the top

prepared to sit for the Certified Public Accountant examination.

Students desiring preparation for careers in the Computer Science field can pursue that goal through a concentration within the Mathematics major.

Quality Education in a Colorful Setting

Salisbury State College, offering 27 major areas of study

experiencing many different disciplines will be better able to choose the most appropriate major.

Major programs of study leading to the Bachelor of Arts and the Bachelor of Science degrees are offered in Art, Biology, Business Administration, Chemistry, Communication Arts, Economics, Elementary Education, English, French, Geography, History, Leisure Studies, Liberal Studies, Mathematics, Medical Technology, Nursing, Philosophy, Physical Education, Physical Sciences, Political Science, Psychology, Respiratory Therapy, Secondary Education, Social Science, Social Work, Sociology and Spanish.

Liberal Studies is a major in which students can determine their own program to meet their needs and personal interests. The flexibility in such a course of study allows a student to plan an interdisciplinary program involving several different departments or to focus on such concentrations as Music, Computer Science or other disciplines of interest to a student. In addition, the College has programs for teacher certification in Elementary Education as well as the various liberal arts disciplines including Music.

A career in one of several Engineering fields is available to Salisbury State College students through cooperative Dual Degree programs with Old Dominion University (Norfolk, VA.), the University of Maryland (College Park) and Widener (Pa.) University.

A newly created concentration in the baccalaureate program in Physical Science, micro-electronics, is designed for relevance to Computer Science and Engineering, fields currently in demand by students

five percent of each entering class. These students exhibit outstanding high school performances and exceptional Scholastic Aptitude Test (SAT) scores.

The College grants credit for Advanced Placement Program examination grades of 3 or higher in all the subjects tested. Students who have had non-traditional education experiences are encouraged to earn college credit through the College Level Examination Program (CLEP) or through departmental challenge examinations.

The College's Business Administration Department attracts the largest number of students and concentrations are available in accounting, finance, marketing and management. Accounting students are

SSC 19 GLASSBORO STATE 7

In the season opener at Glassboro, the Sea Gulls scored 16 points in the final quarter to overpower the Profs 19-7. After a scoreless first period, the Profs went ahead in the second quarter with a 95-yard pass play from quarterback Jeff Beebe to wide receiver Chuck Hinz for a 7-0 lead.

After a long Sea Gull drive in the same period bogged down, Larry Schreidegger booted a 32-yard field goal to get Salisbury on the scoreboard just before halftime.

Early in the fourth quarter Gull signal caller Robb Disbennett tossed a 5-yard pass ahead 10-7. A short time later the Gulls scored on a 4-yard run by halfback Maury Jarmon and after linebacker David Spradlin intercepted a Glassboro pass, Schreidegger added his second field goal

SSC 25 CORTLAND STATE 0

Maury Jarmon ran for two touchdowns to lead Salisbury State to a 25-0 win over Cortland State, the Gull's fourth victory of the year. SSC held a 12-0 lead at the half on a 53-yard streaker by Jarmon and a 10-yard run by Dwayne Humenik.

Jarmon had his second score in last period on a 2-yard run and Kevin Bedwell tallied on a 5-yard pass from Robb Disbennett.

SSC 23 WILLIAM PATERSON 12

The Sea Gulls soared to their fifth straight win as they defeated William Paterson 23-12. They did not have an easy time of it and were trailing 3-0 when John Harris sparked a 20-point second quarter by returning a kickoff 95 yards for a score.

SSC 21 CHEYNEY STATE 20

Salisbury State jumped off to a 21-7 lead and then held on for a 21-20 victory over host Cheyney State.

The Gulls got off to a quick start when Maury Jarmon scored from the two at the end of a 70-yard drive. SSC tallied again when Cheyney fumbled shortly after the ensuing kickoff and the Gulls marched 20 yards and scored on an 8-yard run by John Harris.

Cheyney tallied twice in the final period and attempted a 2-point conversion that would have tied the score but the pass was incomplete.

SSC 23 WIDENER 7

The Sea Gulls finished the regular season with a fine 23-7 win over the perennial

Gulls Soar to NCAA Semifinals

The 10-0-1 year in review by George McKiernan

of the game, a 26-yarder for the final points.

SSC 38 RANDOLPH-MACON 6

In Salisbury State's home opener the Gulls capitalized on Randolph-Macon's mistakes, setting up two touchdowns on fumble recoveries and intercepting four Yellow Jacket passes for a convincing 38-6 win.

Maury Jarmon rushed for the first SSC touchdown in the first quarter and the Gulls added 10 points in the second period on a short run by Joey Slaughter and a Larry Schreidegger 3-pointer. Dwayne Humenik dashed 76 yards for a touchdown as the second half began and Randolph-Macon scored its only points on a plunge by Todd Macey.

SSC 29 FROSTBURG STATE 14

The Sea Gulls, scoring all of their points in the second and third periods, held off a final quarter rally by the Frostburg Wildcats for a 29-14 victory and ran the team's record to 3-0.

SSC scored early in the second quarter when John Harris bolted over from the 1-yard line after Jim White had recovered a 'Cat fumble on the 21-yard line. Dave Spradlin came up with another Frostburg fumble and Maury Jarmon ran for a 1-yard touchdown.

The Gulls scored three times in the third quarter on touchdowns by Dwayne Humenik and Harris and safety by Mike Mammano who dropped the Wildcat quarterback in the end zone.

SSC tallied two more touchdowns in the following four minutes on a 35-yard run by Maury Jarmon and a 22-yard scoring pass from Disbennett to Joe Allen.

SSC 20 PACE 6

The Sea Gulls continued their winning streak with a 20-6 verdict over Pace University and protected SSC's fifth place ranking for NCAA Division III schools.

Although the Salisbury ground game was in high gear most of the day, the Sea Gulls had trouble hanging on to the ball on the wet field and fumbles stalled some SSC advances.

SSC 13 KEAN 13

After surging to a 13-3 halftime lead at halftime, the Gulls suffered a special teams breakdown in the second half that kept Kean in the game and George Martin kicked his second field goal of the game in the closing seconds to tie the game.

SSC 10 GUILFORD 7

Larry Schreidegger kicked a 35-yard field goal on the last play of the game to lift Salisbury State to a 10-7 win over tough Guilford College to run the Gull's record to 7-0-1.

With only a minute remaining to play and the score knotted at 7-7, SSC defender Sherman Wood intercepted a Quaker aerial at midfield and returned it to the 35-yard line. Fullback Dwayne Humenik bulled his way down to the 17 on three straight carries and with only seven seconds left on the clock Schreidegger came through with the winning kick.

Division III power Widener for a 9-0-1 record, the best in its history.

Quarterback Robb Disbennett ran for his first touchdown of the season as he scored on a 5-yard run early in the second period. Dan Irving scored for the Pioneers and the score was 7-7 at the half-way point.

Disbennett threw a touchdown pass to Joey Slaughter in the third period and in the last quarter Larry Schreidegger booted a 44-yard field goal and Maury Jarmon had a 15-yard touchdown run.

SSC 16 CARNEGIE-MELLON 14

The Sea Gulls traveled to Pittsburgh for their first ever playoff appearance and came home with a thrilling 16-14 victory over a strong Carnegie-Mellon team.

Salisbury State scored first when Robb Disbennett combined with Dwayne Humenik on a 35-yard pass play and a touchdown in the second quarter. Carnegie came back to go ahead 7-6, scoring a touchdown on the ground with less than a minute left in the half. The Gulls roared back with a Larry Schreidegger field goal on the last play in the period for a 9-7 half-time lead.

Disbennett put the Gulls up by 16-7 with another scoring strike, this time hitting Joey Slaughter for the score. The Tartans scored again and with the clock running down in the game, a final field goal try by Jeff Fleischman swerved left and SSC was en route to the Division III semifinals.

Athletics should be viewed as an area that offers many opportunities for significant learning and positive growth. As any educational venture, it must offer people the opportunity to maximize their potential in any given area. It is not the activity itself that is so important, but rather the attitude of the participant.

Whenever a person is personally driven in any area to find out how good he can be, the opportunity for learning and growth is probably more fertile than at any other time in his life. This interest and desire will enable him to push himself far into areas that he never dreamed possible.

It is a constant growing awareness in which he is continually setting goals

can find out what it takes for him to be the best he can be. If he is a chemist, he must accept challenges every day in order to realize this potential.

In other words, he must make that activity a part of his lifestyle. He must devote some meaningful thought and effort, and above all, he must constantly set goals for himself. An individual in his quest to become a total person must work hard on his strengths in order to realize his full potential in all aspects of life.

Athletics, An Educational Venture

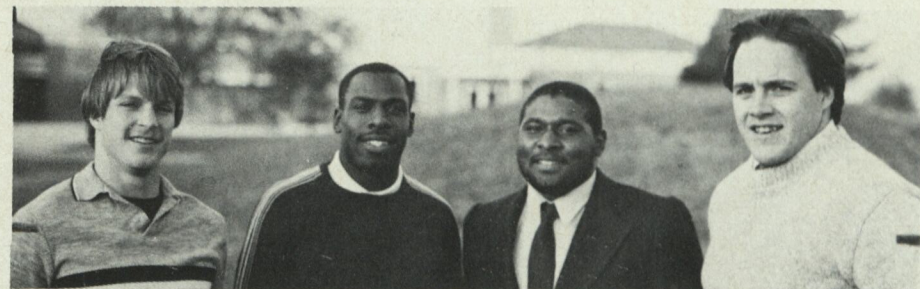

Coach's Message By Mike McGlinchey

SEA GULL COACHES (left to right): Bryce Cox, Kevin Colliton, Neil Kjeldsen, Head Coach Mike McGlinchey, Don Golancinski and Hank Janczyk. Not pictured are Livingston Banks, Bill Cafiero and Sean Gibson, the assistant coaches who scout the Gulls' next opponent.

and attaining them. Soon he begins to realize things about himself that he had never thought before. With help and constant evaluation from others and himself the person is amazed. This is not a one year process, but is usually accomplished over the course of several years.

When someone has this unrelenting drive in any positive area, he must pursue it with all his heart and soul. This is how he learns about himself and his potential as a human begin. If he is a musician, through dedication and hard work, he
